

The milestones of the Sustainable Development approach within the SAB Group (2007-2017)

A commitment from 2007

- Membership in the Global Compact of the UN and the Global Compact France
- Nomination of a Sustainable Development Manager at the Group level

An approach phase in 2008

“The Sustainable Development at our scale”

- Creation of a Sustainable Development Committee integrating a correspondent-member at each site of the Group with a first mission to give a clear picture and to raise awareness at the staff level
- Introduction of a specific space on the intranet accessible to all employees
- 1st Communication on Progress (Cop)

An action plan in 2009

“Good practices today to preserve tomorrow”

- Raising awareness among stakeholders (clients/suppliers, prospects); implementation of multiple local actions
- Constant communication with the staff via a forum in the internal newsletter of the company
- 2nd Cop

Significant results in 2010

“Put the right dose of future in our actions”

- Decrease in various power consumption (electricity, paper); better management of WEEE and implementation of sustainable purchasing policy
- Tools development, relevant to the Group activity, and referenced for their eco-friendly added value (Flowmind, Saas management in hubs)
- 3rd Cop

Integration of the last sites of the Group to the approach in 2011

“Every day we act for tomorrow”

- Deepening actions and homogenization of the approach on all sites: the committee welcoming word at every recruitment and access to a dedicated space to the approach for all on the company server.
- 4th Cop validated “Active Level”

The support of 10 principles of the Global Compact in 2012

“The real future is today”

- Development of the University/Company partnership
- 5th Cop validated “Active Level”

Group public commitment via multiple actions in 2013

“Every day we act for tomorrow”

- Creation of SAB Trophy for the Sustainable Finance
- Partnership University/SAB for the creation of the new training to cyber security, unique training in France
- Draft of code of ethics
- 6th Cop validated “Advanced Level”

Integration to Club “Advanced” in 2014

“Every day we act for tomorrow”

- Member of the Club “Advanced” composed of 35 companies of which 19 of eponymous level
- Implementation of “SAB Code” (anti-corruption ethical code)
- 7th Cop reviewed by the peers and validated “Advanced” for the 2nd year

Implementation of the Advanced platform in 2015

“Every day we act for tomorrow”

- Member of the Club Advanced editorial committee
- Active participant to the implementation of the Advanced platform
- Speaker at the round table /conference on sustainable Purchasing(GC France/OBSAR)
- CSR commitment presentation to students of the ESSEC By SAB Group President
- Participation to the Stand GC France/COP 21
- 8th Cop (3rd of Advanced level)

Membership of two SAB subsidiaries in the local network, Lebanon and Tunisia, of Global Compact, in 2016

“Every day we act for tomorrow”

- CSR clauses in all client / supplier contracts
- Presentation of 3 SDG in the eponymous guide B&L/GC France
- Participation in the project implemented by the NGO Jouzour Loubnan, in favor of the biodiversity
- 9th Cop (4th Advanced Level)

The opening of the company's capital to all employees in 2017

“Every day we act for tomorrow”

- Implementation of the reforestation project in Lebanon
- Presentation of a "biodiversity" SDG in the eponymous guide B&L/GC France
- Participation in the Global Shaker / GC France (reflection on the future of the association and its members)
- 10th Cop reviewed by the peers and validated "Advanced" for the 5th year
